[Despatch Abstract.]

Ferries - South Kanara District - Transfer of management of certain ferries to the control of Mangalore Municipality - Orders passed.

53199

A6.21342.50.

Municipal Office, Mangalore,
Dated the 14th August 1951.

From

Sri M. Sanjiva Talwar, B.A.,B.L.,
Commissioner, Mangalore Municipality,
Mangalore.

To

The Secretary to the Government of Madras,
Local Administration Department,
Fort St.George, M a d r a s.

Thro'

The Inspector of Municipal Councils
and Local Boards,
Old High Court Buildings,
First Line Beach Madras I
and The Chairman,
Municipal Council, Mangalore.

Sir,

Sub:- Ferries - Bordering the Mangalore Municipality - Transfer of and opening a new ferry - permission -- requesting.

****

I am to submit herewith a copy of Council's resolutionNo.1016 dated the30th June 1951, resolving to request Government to make over the Boloor Ferry and Bolar Ferry to this Council from the control of the South Kanara District Board and the Highways Department respectivel and grant permission to open a new ferry at Jeppu.

The Bolar and Boloor ferries are on the very border of the Municipality and as such the municipal council has as much right as the District Board or Highways Department. It is understood that in other places where the ferries are similarly situated either the Municipality contr the ferries or gets half the net income derived by the District Board from the ferries. There are also estimates where the municipal council obtained a share of the net income even when the ferries were situated miles away from the municipal limits, for example, the Tellicherry Municipal council partakes in the sale proceeds of the District Boa ferry at Mahe, though it is situated about fourmiles fr the Municipal limits of Tellicherry. The border ferries, the borde of old, the income from which was devided by the District Board and Councils, are of material advantage to the residents of the District Board area. They help the free flow of traffic and merchandise, the Municipality finding a sale for the produce from the District Board area and finding labour for the labourers from outside municipal limits.

The Boloor Ferry which touches the boundary of the Municipality and the road leading to it is maintained by the Municipality - where as there is no road leading to the ferry on the other side of the ferry. The maintenance charge of this road which leads mainly to this ferry, the lighting of th[illegible] and its conservancy charges are met collected by [illegible]rcipal council while the entire proceeds is to the Distri[illegible]

maintains no road leading the ferry. In regard to Bolar Ferry also the road leading to it is a Highway and there is no road on the opposite bank maintained by the District Board.

But as the Highway road is within the municipality the income from this ferry should legitimately go to the Council as it is incurring expefre on conservancy and lighting the said Highway road. Patients coming from outside and specially from borders of municipal limits are also treated in dispensaries maintained by the Municipality.

Till now no ferry was opend at Jeppu. There is heavy traffic of passengers and merchandise through this ferry also. This ferry is also within the municipal area and the road leading to it is maintained by the council. And there is no road on the other side of the river, maintained by the Dt. Board.

I, therefore, request that Government may be pleased to pass orders to transfer the control of the ferries at Boloor and Bolar or sanction a share to this council from the net income derived from these ferries by the Dt. Board and Highways respectively and also permit the municipality to open anew ferry at Jeppu.

I request the favour of early orders.

Commissioner

L/B Dept W

The subject is one dealt with by P.W.D. This may be transferred to Road Dept. They will no doubt call for Direct. See the file about the subject in due course.

O.K.

EXTRACT FROM THE PROCEEDINGS OF THE MANGALORE MUNICIPAL COUNCIL DATED THE 30TH JUNE 1951.

Resolution No.1016.

Read Commissioner's note dated the 2nd June 51 regarding the proposal of the council to apply to Government for transferring the control of the ferries situated on the border of the municipality from the District Board to the Municipal Council.

Government may be addressed to make over the Boloor ferry and Bolar ferry and permission to open a new ferry at Jeppu

LETTER NO.48945-D1/51-HR DATED 14-5-52.

Sir,

SUB: FERRIES - BORDERING THE MANGALORE MUNICIPALITY - TRANSFER OF AND OPENING A NEW FERRY - PERMISSION - REGARDING.

Ref: Govt. (P.W.D.) Endt.No.78931-S/51-1 d/14-9-51.

With reference to the above, I enclose herewith a copy of letter No.Roc.A4/5637/51 dated 3-5-52 of the Superintending Engineer (Highways) IV Circle, Coimbatore together with its enclosures and a sketch and taluk map showing the location of the 3 ferries.

I agree with the Superintending Engineer (Highways) and recommend that with reference to the instructions contained in G.O. 3304, P.W.D., dated 6-11-47, the Municipality has no right to have a share of income in respect of Bolur ferry and has a right to have a full share of the income in case of Boloor and Jeppu ferries.

The taluk map enclosed herewith may be returned when done with.

For CHIEF ENGINEER (HIGHWAYS)

Encls:

....

Sub: Ferries - Bordering the Mangalore Municipality - Transfer of and opening of a new ferry - Permission Request of the Mangalore Municipality.

Ref:.Chief Engineer's (H) Endt.No.48945-D1/51-1 dated 24-9-51.

...

I enclose copies of letters of the Divisional Engineer (H) Mangalore and the President. Dt. Board South Kanara, Mangalore/offering their views in the matter for favour of perusal. /No.F.Dis. 14061-D1/52 dated 21-3-52 and L.Dis.No.6560/52 dated 8-4-52.

Of the three ferries referred to in the Municipal Commissioner's letter addressed to Government, only one ferry, i.e., Bolar Ferry, is under the control of the Highways Department. As per instructions contained in G.O.No.3304 P.W.D. dated 6-11-47, the Highways Department is entitled to realise the entire income of the ferry as the roads leading to the ferry on either side, viz., the Mangalore Baindoor Coast road and the Mangalore Chervathur Coast road are being maintained by the Highways Department.

The second ferry viz., the Boloor Ferry is vested in the Managament of the District Board, South Kanara..

The roads /leading/ to this ferry from the east and south are being maintaned by the Municipality. As per G.O.~~No.~~, the Municipality is entitled to get the entire income, as the District Board is not spending anything on the approach roads to this ferry. The request of the Municipal Commissioner appears reasonable.

Regarding the Jeppu Ferry which the Municipality proposes to open, the Divisional Engineer (Highways) reports that the ferry was actually opened by the Dist. Board on 1-12-51. The road leading to the ferry on ~~the~~ one side is being maintained by the Municipality and on the other side of the ferry there is no road at all. As per G.O.No.3304, P.W.D. dated 6-11-47 the entire income should go to the authority which maintains road leading to the ferry. The request of the Municipality to run the ferry under ~~the~~ its control is in order

A sketch and taluk Map showing the location of the ferries under reference are also herewith enclosed. The letter ~~may~~ may be returned when done with.

S.C. Nayak,
Superintending Engineer (Highways).

...

Sub: Ferries - bordering the Mangalore Municipality - Transfer opening a new ferry - permission requested - Forwarded.

Ref: Endt. No.5637/51 d/10-10-51 of the Superintending Engineer (H Coimbatore forwarding Chief Engineer's (E) Endt.No.[illegible] dated 21-9-51.

...

Of the three ferries referred to in the [illegible] Co letter communicated with the above endorsements only one belonged by Government viz, the Older Ferry. This is located at the S end of the town and connects Mangalore with Bellal and the road to this at either end viz., the Mangalore Bolpady coast road Mangalore Cherravathur Kasaba road is being maintained by them.

The second ferry viz., the Older ferry is [illegible] by the District Board. This is located at the northern end of town and connects main land with the coastal strip [illegible] river and the sea. The roads leading to this from the East South are being maintained by the Municipality and those on the North or West of the ferry.

The third ferry viz., the Kulpadi ferry [illegible] wants to open were actually opened by the Dt. Board [illegible] the current year. The road leading [illegible] road. At the Southern end [illegible] its limits at the Bellal [illegible].

[illegible] it, [illegible] final decision [illegible] Board dated 1-4-52 [illegible] the Engineer [illegible] No.5637 dated 22-6-51.

i. The Mangalore Bolpady road	0-0-0 to 2-4-[illegible].
ii. The Bellal Agraharam road.	0-0-0 to 2-1-123 C/S
iii. The Coastal road North Mangalore Municipality.	0-0-0to 8-4-0
iv. The Coast road No.22 South Mangalore Cheravathur.	0-0-0 to 2-3-0

The first two of these are main arterial roads serving the whole District and not really to be cared for and maintained by the Municipality other than the local functional utility.

No.iv is only of purely local utility. As the [illegible] river at 1/4 of this road mmn is unbridged and is likely to remain for a considerable time and as there are a considerably number of bridged rivers to the south of this river also all through traffic to the south of the District goes by the Mangalore Bolpady Mangalore and vital bridge the part of the coast road in the Municipal area is used only by local people. It is therefore recommended that this case may be vested in the Municipality.

No.iii. viz., the Coast road north is almost similar to [illegible] From 0/0 at the Collector's office to 2/1 near the [illegible] of Urvanaidan this road runs along heavily builtup streets viz., the Mukhyaprana temple street, part of the car street, the [illegible] School road and Kulur ferry road which are all thickly localities and heavily built up residential areas. Any through traffic for the North East coast road will therefore naturally avoid these congested locality and join the road near 0/1 by the Mahatma Gandhi road which is wide and runs through less congested areas. The north coast road from 0/0 to 2/1 is therefore recommended to be vested in the Municipality. The protion beyond 2/1 which is normally used by through traffic may be continued to be maintained by Government.

If it is considered necessary that Govt. should take so other road from the Municipality in place of this road that is to be vested with them. I do not think that such consideration is proper of ~~xxxx

South Kanara to the Divisional Engineer (H) Mangalore.

...

Sub: Ferries - Mangalore Taluk - Bolour, Bolar and Jeppoo Ferries -
Transfer of control or apportionment of net income to the
Mangalore Municipality - Remarks furnished.

Ref: 1. Your Rc.14061/52-D1 dated 21-3-52.
2. Letter R.C.A4/5657/51 dated 28-3-52 of the Supty. Engineer,
(Highways) V Circle, Coimbatore.

...

With reference to the proposals of the Mangalore Municip
for the transfer of the management of the control of the ferries at
Bolar and Bolour, for apportionment of the income derived by the Dt.
Board from these ferries and also the permit the opening of a new fe
at Jeppoo, I have to inform you that in 1940 the Municipal Council h
made a proposal for the transfer of the management of the control of
ferries at Bolar and Malour. The Dt. Board objected to the th
Proposals of the Municipal Council and had written to the Collector
thisoffice R.Dis.10068/40 dated 25-7-40 (Copy enclosed). The Gove
after due consideration had in their order No. SS 2154, dated
11-10-40 (copy enclosed) declined to comply with the request of the
Municipal Council.

The management of the ferry at Bolar has been made over t
the Highways Department with effect from 1-4-46. The ferry at Bolou
continues to be under the management of the Dt. Board. The grounds
on thich the Government declined the proposal of the Mangalore Munic
pality continue to hold good even now.

With regard to the granting of permission to open a fer
at Jeppoo I have to inform you that the Dt. Board had opened a ferry
at Jeppoo on 1-12-51. It is true that onone side the road [illegible] t
the ferry is maintained by the Municipality and that on the other
side there is no road at all touching the ferry limits. For want of
a road on the other side of the ferry, the ferry did not work satisfa
Though attempts were made to auction the ferry it is seen, there has
no bidder at all with the result the ferry had to be closed with eff
from 1-4-52. I do not think that it is possible either for the Muni
ty or for the Dt. Board to have a ferry without the formation of a r
the other side of Jeppoo ferry.

In the circumstances, I do not think there are any special
grounds for the transfer of management of Bolour ferry into the Ma
lore Municipality or for the apportionment of the income derived
ween the Dt. Board and the Mangalore Municipality-

Sd. x x x
For President.

Ferries - (Inter Taluk) - Ferries at the borders of the Mangalore Municipality - Taking over management from the District Board by the Municipality and Payment for the opening of a new ferry at Jeppoo - Report submitted.

Station: Madras. No.B.P.M.477 Dated 13-1-53.

From - Offg.W.R.C.Satchidanandam, I.A.S., Commissioner of Land Revenue.
Offg.T.T.Varadachari, I.A.S., Secretary, Board of Revenue.

To - Govt.-Government P.W.D. Endorsement No.78931-B/51-1 B/14-9-51.
6568 From the Chief Engineer (Highways) Letter No.A4/5645-51/51 dated 14-5-52.

RECOMMENDATION:-

Submitted to the Government.

2. The Board agrees with the Chief Engineer (Highways) that the Mangalore Municipality has no claim over the Bolar Ferry which is the full right over the management and the entire income of the Bolar Ferry according to the provisions of G.O.No.3304, P.W.D., dated 6-11-47.

3. As regards the re-opening of the ferry at Jeppoo, the Board also agrees with the Chief Engineer (Highways) that it might be recorded to the Municipality to re-open it and recommends that the income may be granted to it under the same G.O. mentioned above.

4. A sketch showing the situation of the ferries in question is enclosed. The bulpk map in original which is also enclosed may be returned after reference, direct to the Chief Engineer (Highways).

D Chandrasekhara Rao
for SECRETARY to Board

The Government, P.W.D. (Highways Branch) The Public Works Department (Roads) (Ferries Section) (Through the Chief Engineer (Highways)).

Copy of letter No.A4/5645-51/51-III dated 14-5-52 from the Chief Engineer (Highways), Madras:--

Sub:-Ferries - Ferries on the Mangalore Municipality - Taking over and opening a new ferry - Permission - Regarding.
Ref:-Govt. (P.W.D.) Endt.No.78931-B/51-1 d/14-9-51.

With reference to the above, I enclose herewith a copy of letter No.Doc.A4/5637/51 dated 3-5-52 of the Superintending Engineer (Highways) Circle, Coimbatore together with the enclosures and sketch and map showing the location of the 3 ferries.

I agree with the Superintending Engineer (Highways) and recommend that the request in the letter cited in G.O.3304, P.W.D. dated 6-11-47, the Municipality has no right to have any share in respect of Bolar ferry and has a right to have a full right to the income in case of Bolar and Jeppoo ferries.

The bulpk map enclosed herewith may be returned when done with.

T

Copy of letter No.P.Dis.No.14/5637/51 1/21-5-52 from the Superintendent of Police (Highways) IV Circle, Coimbatore to the Chief Engineer (P), Madras:--

Sub:-Ferries - Replacing the Mangalore Municipality - Free ferry by a new ferry - Ferryman Peria Thambi of the Mangalore Municipality.

Ref:-Chief Engineer (P) D.No.No.40345-D1/51-1 dated 21-9-51.

I enclose copies of letters as per the Ref. cited (1), from the Municipal Commissioner, Mangalore, Dt. 5-11-51, Sixth Finance Committee Meeting held on 21-9-51 and (2) from the Executive Engineer, Mangalore Division, No.D1.1/5661-D1/52 dated 21-9-52 and P.Dis.No.6560/52 dated 4-4-52.

2) The three ferries referred to in the Municipal Commissioner's letter are Government, only one ferry, i.e., Peria Ferry, is [illegible] Government. The ferry was originally [illegible] Municipality in G.O.No.3334 P.W.D., dated 6-11-47, the Municipality is entitled to realise the entire income of the ferry as the route leading to the ferry on either side, viz., the Mangalore Pilikula Road and the Mangalore Permanent Court Road are being maintained by the Highways Department.

The second ferry viz., Kudroli ferry is [illegible] the Municipality of the Pilikula Road, [illegible].

3) The third ferry viz., Bolar ferry is [illegible] maintained by the Municipality. As per G.O., the Municipality is entitled to get the entire income, as the Pilikula Road [illegible] Highways Department [illegible] ferry. The proposal [illegible] Ferryman Peria Thambi [illegible].

Regarding the Peria Ferry which the Municipality proposes to [illegible] Mangalore (Highways) may [illegible] ferry [illegible] by the Municipality [illegible] 21-9-51, [illegible] the Municipality [illegible] one side is being maintained by the Municipality and [illegible] with ferry there is no road at all. As per G.O.No.3334, P.W.D., dated 6-11-47 the entire income should go to the Authority which [illegible] and [illegible] to the ferry. The request of the Municipality [illegible] ferry under the control [illegible].

A sketch [illegible] which may explain the position of the ferries [illegible] reference are also herewith enclosed. The letter may be [illegible] done with.

Superintendent of Police
(Highways).

II

Copy of letter P.Dis.No.14261-D1/52 1/21-5-52 of the Divisional Engineer (P), Mangalore to the Supdg. Engr. (P) IV Circle, Coimbatore:--

Sub:-Ferries - Kudroli, Bolar and Mangalore Municipality - Free ferry - Proposal for handing over ferry - Ferryman Peria Thambi of the Municipality.

Ref:-Your No.5637/51 1/16-12-51 to the Executive Engineer, Mangalore Division, Mangalore (1) Your No.No.40345-D1/51-1 dated 21-9-51.

On the above subject you have addressed the Municipal Commissioner, Mangalore and the latter communicated with the Executive Engineer, Mangalore Division, who in turn addressed by Government vide, the Public Ferry. [illegible] and the Executive Engineer, Mangalore Division, vide his letter No.D1.1/5661-D1/52 dated 21-9-52 and P.Dis.No.6560/52 dated 4-4-52 addressed the Municipal Commissioner, Mangalore, Dt. 5-11-51, Sixth Finance Committee Meeting held on 21-9-51 and (2) from the Executive Engineer, Mangalore Division, No.D1.1/5661-D1/52 dated 21-9-52 and P.Dis.No.6560/52 dated 4-4-52.

The second ferry viz., the Kudroli ferry is being leased out by the District Board. This is [illegible] Municipality and the boat and connects main road with the [illegible] between the Gurpu river and the sea. The road leading to this ferry [illegible] East and South.

...is maintained by the Municipality and there is no ... the ... of the ferry.

The third ferry viz., the Jeeppu ferry which the Municipality wants to open was actually opened by the Dt. Board during the current year. The road leading to the ferry on the North is a Municipal road. At the Southern approach there is no road and the area is located in limits of the Vittal Panchayat Board.

Before considering the question of vesting the ferries in the Municipality, I would submit a few remarks regarding the roads in Municipal ... taken over by the Government. When the Highways Department was formed on 1-4-46 the following roads were taken over by Government from the Mangal. Municipality vide G.O.No.569 dated 23-3-46.

		M.F.Yds.
i.	The Mangalore Marcara road	0-0-0 to 2-4-14.
ii.	The Mangalore Kudroli road	0-0-0 to 3-1-126 2/3
iii.	The Coastal road No.22 North Mangalore Baindur.	0-0-0 to 3-4-0
iv.	The coast road No.22 South Mangalore Chervathur.	0-0-0 to 2-2-0

The first two of these are main arterial roads serving the whole District and naturally to be cared for and maintained by an authority other than the local Municipality.

No.iv. is only of purely local utility. As the Nethravathi river at 1/4 of this road is unbridged and is likely to remain so for a considerable time and as there are a considerable number of unbridged rivers to the south of this river also all through traffic to the south of the District goes by the Mangalore Marcara road via. Panemangalore and Vittal and the part of the coast road in the Municipal area is used only by local people It is therefore recommended that this case may be vested in the Municipality.

No.iii. viz., the Coast road north is almost similar to this. From 0/0 at the Collector's office to 2/1 near the Northern end of the Urvanadan this road runs along heavily built up streets viz., the Mukkyaprana temple street, part of the car street, the Muhammaden High School road and Kulur ferry road which are all business localities, and heavily built up residential areas. Any through traffic for the Northern coast road will therefore naturally avoid these congested locality and join the road at 0/1 by the Mahatma Gandhi road which is wide and runs through less congested areas. The north coast road from 0/0 to 2/1 is therefore recommended to be vested in the Municipality. The protion beyond 2/1 which is normally used by through traffic also may be continued to be maintained by Government.

If it is considered necessary that Government should take some other road from the Municipality in place of this road that is to be vested with them. I do not think that such consideration is proper or necessary. I would recommend that the road from the North West cross of the Urvi Kodi to the Balmatta Junction at 1/4 of the Mangalore Marcara road may be taken up. This will pass along the Mahatma Gandhi road (8½ flg) Kodi road (4½ flg) and the Dutts Hostel road (2½ flg) for a total length of 15½ furlongs. This may give the municipality some relief in the matter of road maintenance as the length of the road taken over will be only 1½ furlongs less than the length handed back to them (so far as the North Coast road is concerned). This is also one of the main routes likely to be used by through traffic. An alternation to this would be the route along Mahatma Gandhi Road, Shedi Gudde road and Kannad Sadashiv Rao road which would be only 13 fgs. in length. But the last of these 3 fgs. is also congested locality.

Now coming to the question of vesting management the ferries in the Municipality. It is a matter that the income from ferries should go to the departments maintaining the approaches to the ferries and providing amenities like jetties, sheds, jumpers, etc., at the ferries. Since the Kulur Ferry mostly serves a local purpose and as the road leading to it from the North is proposed to be transferred to the Municipality together with the ferry, there is no objection to the Municipality being allowed to keep the ferry and get the receipts from the same. The new ... ferry which was substantial before 1942-43 was made ... by ... in that year.

The position is that a steam launch service is plying across the river touching from a point outside the ferry limits to the South of Mirai Hill. The right to the ferry owner to collect fees from passengers using their service was the subject to of a Govt decision dealing with this office reference Rec.48/1822/49 dated 27-12-49.

The remedy would be to either get the ferry limits extended to cover the establishment on the North or to ban the steam launch service departmentally.

Regarding the second ferry viz., the Bolgatty ferry through the Port Trust is not incurring any expenditure on maintenance, repairs etc., on the ferry I doubt if it will accrue to the Corporation revenue which brings it over Rs.1000/- a year over the average. I am discussing the proposal with the President, Mr. Brady, on the matter personally.

The present ferry was opened by the Municipality in the current year and a toll for Re.33/- only. During the year 1950-51 they have collected for the ferry. Should the crossing at this point be closed it would certainly subject the whole approach road to the South Mikkam this a site of very little value. The development of an approach road on the South will involve improvement and reballisting about 1½ miles of existing road, crossing two tidal branches of the Netravathi which about 150' (or 200' wide and of going a new road early call for about 2 fur. All this will cost about Rs.1,00,000/-. They are proposed to be taken under the jurisdiction of the Mulki Panchayat which as I ascertained from talk with the President during a recent inspection is not interested in the development.

As this development is considered by some people to be necessary for the expansion of Mangalore Municipal area, given it would appear that the proper thing is for the Municipality to get jurisdiction over these new areas and then take this and other development in the area.

I am enclosing 2 prints of a sketch map showing the position of the three ferries under reference and which should be found map showing the proposal taken thereon.

Yours,
Dy. Y.P. Secty/
Dist. Collector. (T)
Mangalore.

Copy of letter D.Dis.No.4760/50 dated 4-1-52 of the Dy. Dist. Dy. Port, Dist. Magistrate, Dy. Director (H), Mangalore.

Sub:-Ferries - Mangalore Taluk - Bolgatty, Bolgatty (New) Ferry - Transfer of ownership, position, etc. of net income to the Mangalore Municipality - Permission granted.

Ref:-1. Your Rc.14761/50-D1 D/31-8-52.
2. Letter No.A4/3697/51 D/2-1-52 of the Dist. Collector, (Magistrate) IV Circle, Mangalore.

With reference to the proposals of the Mangalore Municipality for the transfer of the management of the ferries, Bolgatty (New) and Bolgatty, from private ownership to the Income derived by the Dy. Port Trust, Cochin, which permit the working of a new ferry at Bolgatty

43

which the Government declined the proposal of the Mangalore Municipality to hold good even now.

With regard to the granting of permission to open a ferry at [illegible] have to inform you that the Dt. Board has opened a ferry at [illegible] on 1-12-51. It is true that on one side the road leading to the ferry is maintained by the Municipality and that on the other side there is no road at all touching the ferry limits. For [illegible] on the other side of the ferry, the ferry did not work [illegible] Though attempts were made to auction the ferry this year, there has been no bidder at all with the result the ferry had to be [illegible] effect from 1-4-52. I do not think it is possible either for the Municipality or for the Dt. Board to have a ferry without the [illegible] road on the other side of Jeppu ferry.

In the circumstances, I do not think there can be any objection for the transfer of management of below ferry to the Mangalore Municipality or for the apportionment of the income derived between the Dt. Board and the Mangalore Municipality.

Sd. x x x
For President.

Read:- Govt.P.W.D. Endt No.78931-S/51-1 d/14-9-51
From the Chief Engineer (H) letter No.48945-D1/51 DR d/14-5-52

Submitted to the Government.

2. The Board agrees with the Chief Engineer (Highways) that the Mangalore Municipality has no claim over the Bolar Ferry while it has full ri over the management and the entire income of the Boloor Ferry according to t provisions of G.O.No.3304 P.W.D dated 6-11-47.

3. As regards the re-opening of the ferry at Jeppoo, the Board also agrees with the Chief Engineer (Highways) that sanction may be accorded to t Municipality to re-open it and recommends that the full income may be grante to it under the same G.O.mentioned above.

4. A sketch showing the situation of the ferries in question is encl The Taluk map in original which is also enclosed may be returned after reference direct to the Chief Engineer (Highways).

(True Copy).

Copy of letter No.48945-D1/51 HR dated 14-5-52 of the Chief Engineer(Highway

Ref:- Govt.P.W.D.Endt No.78931-S/51-1 d/14-9-51

With reference to the above, I enclose herewith a copy of letter No.Roc.A4.5637/51 dated 3-5-52 of the Superintending Engineer (Highways) IV Circle,Coimbatore together with its enclosures and a sketch and taluk map showing the location of the 3 ferries.

I agree with the Superintending Engineer (Highways) and recommend that with reference to the instructions contained in G.O.3304,P.W.D. dated 6-11-47, the Municipality has no right to have a share of income in respect of Bolar Ferry and has a right to have a full share of the income in cases of Boloor and Jeppoo ferries.

The taluk map enclosed herewith may be returned when done with.

(True Copy).

Copy of letter No.Roc.A4.5637/51 dated 3-5-52 from the Superintending Engir (Highways) IV Circle,Coimbatore.

Ref:- Chief Engineer's(H) Endt No.48945-D1/51-1 d/24-9-51

I enclose copies of letters of the Divisional Engineer(H) Mangalore a the President, District Board, South Kanara, Mangalore/offering their views in the matter for favour of perusal.No.F.Dis.14061-D1/52 dated 21-3-52 and L.Dis.No.6560/52 dated 8-4-52.

Of the three ferries referred to in the Municipal Commissioner's lett addressed to Government, only one ferry i.e Bolar Ferry, is under the contr of the Highways Department. As per instructions contained in G.O.No.3304 P.W.D.dated 6-11-47, the Highways Department is entitled to realise the ent income of the ferry as the roads leading to the ferry on either side, viz the Mangalore Baindoor Coast Road and the Mangalore Ceervathur Coast road are being maintained by the Highways Department.

The second ferry viz, the Boloor Ferry is vested in the manageme n t of the District Board,South Kanara.

The rodds leading to this ferry from the east and south are being maintained by the Municipality. As per G.O.the municipality is entitled to get the entire income,as the District Board is not spending anything

p.t.o

on the approach roads to this ferry. The request of the Municipal Commissioner, appears reasonable.

Regarding the Jeppu Ferry which the Municipality proposes to open, the Divisional Engineer (Highways) Reports that the ferry was actually opened by the District Board on 1-12-51. The road leading to the ferry on one side is being maintained by the Municipality and one the other side of the Ferry there is no road at all. As per G.O.No.3304 P.W.D. dated 6-11-47 the entire income should go to the authority which maintains road leading to the ferry. The request of the Municipality to run the ferry under its control is in order.

A sketch and Taluk Map showing the location of the ferries under reference are also herewith enclosed. The letter may be returned when done with.

- (True Copy).

--

Copy of letter F.Dis.No.14061-D1/52 d/21-3-52 of the Divisional Engineer (H) Mangalore.

--

Of the three ferries referred to in the Municipal Commissioner's letter communicated with the above endorsement only one is leased out by Government viz the Bolar Ferry. This is located at the Southern end of the town and connects Mangalore with Ullal and the road leading to this at either end viz the Mangalore Baindur Coast and the Mangalore Chervathur Coast road is being maintained by Government.

The second ferry viz. the Bolur Ferry is being leased out by the District Board. This is located at the northwestern end of the town and connects main land with the coastal strip lying between the Gurpur river nd the sea. The road leading to this from the East and South are being maintained by the Municipality and there is no road on the North or West of the ferry.

The third ferry viz. the Jeepoo Ferry which the Municipality wants to open was actually opened by the District Board during the current year. The road leading to the ferry on the North is a Municipal road. At the Southern approach there is no road and the area is located in limits of the Ullal Panchayat Board.

Before considering the question of vesting the ferries in the Municipality, I would submit a few remarks regarding the roads in Municipal area taken over by the Government. When the Highways Department was formed on 1-4-46 the following roads were taken over by Government from the Mangalore Municipality vide G.O.No.569 dated 23-3-46.

			M.F. Yds
(i) The Mangalore Mercara road	0-0-0	to	2-4-148
(ii) The Mangalore Agumbe road	0-0-0	to	3-1-126 2/3
(iii) The Coastal road No.22 North Mangalore Baindur	0-0-0	to	3-4-0
(iv) The coast road No.22 South Mangalore Chervathur	0-0-0	to	2-2-0

The first two of these are main arterial roads serving the whole district and naturally to be cared for and maintained by an authority other than the local Municipality.

No.iv is only of purely local utility. As the Nethravathi river at 1/4 of this road is unbridged and is likely to remain so for a considerable time and as there are a considerable number of unbridged rivers to the south of this river also all through traffic to the south of the district goes by the Mangalore Marcara road via Panemangalore and vittal and the part of the coast road in the Municipal area is used only by local people. It is therefore recommended that this case may be vested in the Municipality.

No.iii viz, the Coast road north is almost similar to this. From 0/0 at the Collector's Office to 2/1 near the Northern end of the UrvaMaidan this road runs along heavily built up streets viz, the Mukhyaprana temple street, part of the car street, the Muhammaden High School road and Kulur Ferry road which are all business localities and heavily built up residential areas. Any through traffic for the Northern coast road will therefore naturally avoid these conjested locality and join the road near 0/1 by the Mahatma Gandhi road which is wide and runs through less conjested areas. The north coast road from 0/0 to 2/1 is therefore recommended to be vested in the Municipality. The portion beyond 2/1 which is normally used by through traffic also may be continued to be maintained by Government.

If it is considered necessary that Government should take some other road from the Municipality in place of this road that is to be vested with t I do not think that such consideration is proper or necessary. I would recommend that the road from the North West Cross of the Urva Maidan to the Balmatta Junction at 1/4 of the Mangalore Mercara road may be taken up. This will pass along the Mahatma Gandhi Road (8½ flg) Kadri road (4¾ flg) an theBunts Hostel road (2½ flg) for a total length of 15½ furlongs. This may give the municipality some relief in the matter. of road maintenance as the length of the road taken over will be only 1½ fgs. less than the length hand back to them (so far as the North coast road is concerned) This is also one of the main routs likely to be used by through traffic. An alternation to this would be the route along Mahatma Gandhi Road, Shedi Gudde road and Karnad Sadashiv Rao road which would be only 13 flgs. in length. But the last of these 3 fgs. is also conjested locality.

Now coming to the question of vesting management the ferries in the Municiplity. It is natural that the income from ferries should go to the Department maintaining the approaches to the ferries and providing amenities like jetties, sheds, jungaras etc. at the ferries. Still as the Bolar Ferry mostly serves a local purposes and as the road leading to it from the North is proposed to be transferred to the Municipality for maintenance, there is no objection to the Municipality being allowed to manage the ferry and get the revenue from the same. The revenue from this ferry which was substantial before 1948-49 has gone down very much since then. The reasons for this is that a steam launch service is plying across the river startin from a point outside the ferry limits on the Mangalore side and landing with the ferry limits on the Southern or Ullal side. The right of the ferry rente to collect fees from passengers using their services was the subject to of a long discussion ending with this office Reference Roc.A8/18020/49 dated 27-12-49.

The remedy would be to either get the ferry limits extended to cover the embarkation point on the north or to run, the steam launch service departmentally.

Regarding the second ferry viz the Bolur ferry though the Dt.Board is not incurring any expenditure on maintaining approach roads etc.to the ferry I doubt if it will consent to forego a source of revenue which brings it over to Rs.1000/- a year on the average . Any how I am addressing the President, Dt.Board on the matter separately.

The Jeppoo Ferry was opened by the Dt.Board in the current year and was sold for Rs.33/- only for the year 1952-53 there has been no bidder for ferry. Though the crossing at the point is shortest and possibly safest the absence of an approach road in the South Makes this a site of very little val The Development of an approach road on the South would involve improvement and metalling about 1½ miles of existing road, crossing two tidal branches o the Netravathi river about 150' and 200' wide and forming a new road on sandy soil for about 2 fgs. All this will cost about Rs.100000/- They are concern is now under the jusrisdiction of the Ullal Panchayat which is I ascertained from a Talk with the President during a recent inspection is not interested in the development.

As this development is considered by some people to be necessary for t expansion of Mangalore Southwards across the river it would appear that the proper thing is for the Municipality to get jurisdiction over these area al and then taken this and other developments in the area.

p.t.o

I am enclosing 2 maps one a tracing of the taluk map showing the position of the three ferries under reference and another a tracing of the town map showing the Government roads within the Municipal area with my proposal marked thereon.

(True Copy).

Copy of letter L.Dis.No.6560/52 d/8-4-52 of the President, D.Board South Kanara.

Ref:- Your Rc.14061/52 D1 d/21-3-52
Letter No.RC.A4.5637/51 d/28-3-52 of the Suptdg.Engineer(H) IV Circle, Coimbatore

With reference to the proposals of the Mangalore Municipality for the transfer of the management of the control of the ferries at Bolar and Boloor for apportionment of the income by the District Board from these ferries and also permit the opening of a new ferry at Jeppoo, I have to inform you that in 1940, the Municipal Council had made a proposal for the transfer of the management of the control of ferries at Bolar and Baloor. That Dt.Board objected to the above proposals of the Municipal Council and had written to the Collector in this office R.Dis.10068/40 dated 25-7-40 (Copy enclosed). The Government after due consideration had in their order No.MSS.2154 P.W.D. dated 11-10-40 (Copy enclosed) declined to comply with the request of the Municipal Council.

The management of the ferry at Bolar has been made over to the Highways Department with effect from 1-4-46. The ferry at Boloor continues to be under the management of the Dt.Board. The grounds on which the Government declined the proposal of the Mangalore Municipality continued to hold good even now.

With regard to the granting of permission to open a ferry at Jeppoo I have to inform you that the Dt.Board had opened a ferry at Jeppoo on 1-12-51. It is true that on one side the road leading to the ferry is maintained by the Municipality and that on the other ~~hand~~ side there is no road at all touching the ferry limits. For want of a road on the other side of the ferry, the ferry did not work satisfactorily. Though attempts were made to auction the ferry this year, there has been no bidder at all with the result the ferry had to be closed with effect from 1-4-52. I do not think that it is possible either for the Municipality or for the District Board to have a ferry without the formation of a road on the other side of Jeppoo Ferry.

In the circumstances, I do not think there are any special grounds for the transfer of management of Boloor ferry to the Mangalore Municipality or for the apportionment of the income derived between the District Board and the Mangalore Municipality.

---

Ref:

Board's Ref.No.M.3917/53 dated 4.8.53.

The Commissioner, Mangalore Municipality has propos that the management of the ferries at Jeppo and Sultan B may be transferred to the Mangalore Municipality from th control of the District Board, South Kanara.

These ferries as they are at present cannot be cons dered to be remunerative. One point of either ferry is reported to be within Municipal limits and the other poi is outside the Municipal limits. The Government in G.O.M No.2154 dated 11.10.1940 had declined to comply with the request of the Mangalore Municipality. A report was sub mitted to the Board in this office L.Dis.3877-52 dated 4 in reply to Board's L.7828-51-2 dated 16.2.52 stating th the claim of the Municipality for the control of these ferries was not justified and that the income of these ferries can be rightly claimed only by the District Boa I have no further remarks to offer.

Reference:-

Submitted to the Government.

2. The Commissioner of Land Revenue has inspected three ferries (1) Sultans Battery (2) Bolar and (3) Jepp which the Mangalore Municipality has claimed, along with Collector, the Personal Assistant to the Special officer District Board and the Commissioner of Mangalore Municip and the remarks of the Board as a result of the inspecti are given below:-

3. (1) Sultans Battery:- This is also known "Bol In G.O.No.Ms.2154 P.W. dated 11.10.1940, the Government refused to consider the request of the Mangalore Municipa for the management by the municipality of the ferries at Bolar, Boloor, Maravoor etc. The ferry at Sultans Batt is being run by the District Board for a very long time, according to the records from about 1891. The point for consideration is whether there can be a legal objection the grant of the ferry rights to the Municipality when t District Board has been enjoying the rights for such a l period. This will have to be examined. It is quite poss that when an elected President of the District Board tak

charg

e rights over revenue by the District Board which they have exer-
sed for many decades.

According to the situation on the ground the ferry at Sultans
ttery starts from a spot a few yards from the battery and goes
ross the river to Tannirbavi village which is not a panchayat.
ere is no road on the Tannirbavi side, but on the town side near
e battery there are two roads vested in the Municipality starting
om about 10 yards from where the ferry starts. The question is
whom the land in between the roads and the ferry spot belongs is
pt one. No one was able to show to the Commissioner of Land Reven
e boundary where the municipal authority ended and the District
ard authority started. Evidently this depends on the tides.
e ferry possibly at high tides runs into the municipal territory
d at low tide there may be a small strip of District Board
erritory intervening. There are no amenities for this ferry
ervice at present. There is no jetty and no approach road to the
oint where the ferry takes off. The gap between the municipal
oad and the point where the ferry takes off remains uneven ground.
ubject to legal opinion the Board recommends that this ferry be
iven over to the Municipality to be run as a municipal one subject
o the condition that one half of the revenue is paid over to the
oard. This seems to be a fair solution because on the otherside
t is clearly District board territory and the river itself is in
istrict Board territory, but on the town side two important roads
onverge. If the Municipality agrees to connect up these two roads
ith an approach road and a jetty, then it would be fair enough to
onclde that one half of the gross income should be appropriated
y the Municipality for running the ferry and the other half should
o to the District Board. If the Municipality does not agree
o put up an approach road and jetty, the board recommends Status
uo, should be maintained.

(ii) Bolar:- The ferry at Bolar is run by the Highways depart
ent. It connects two highway roads on both sides of the river and
t is obvious that the claim by the Municipality is untenable.
esides the income from this ferry seems to be progressively dimini
g. It was at one time Rs.2,000/- in 1946. It has now fallen to
s.10/-. The Board therefore suggests that the request of the
unicipality for this ferry may be turned down outright.

(iii) Jeppoo:- This ferry was being run for many years by
he District Board which was deriving a fair amount of revenue
ut the revenue from this ferry has gradually diminished till 2
ears ago there was no demand at all for this ferry whereupon the
istrict Board abandoned it. Now there is no official ferry at
this point. The Municipality would like to be given this ferry,
inspite of the fact that the revenue is so poor. The Board con-
siders that there is no harm at all in transferring this ferry to
the Municipality because the point at which the ferry takes off
on the town side is municipal territory and on the other side
it falls within the Ullal Panchayat area. The Municipal Commis-
sioner has told the Commissioner of Land Revenue that the Muni-
cipality intends to improve this locality to make it attractive
for the ferry to draw customers. This is a matter entirely
entirely for the municipality but the Government may pass orders
granting the ferry rights at Jeppoo to the Municipality. The
District Board has no objection to this. Whether the Ullal
Panchayat will claim any share of the revenue, if revenue is
derived is a matter which can be taken up later on if and when the
Panchayat makes a demand.

For Secretary.

To the Secretary to Government, Public Works Department, Madras.

It is considered that which the Bolour ferry may be given over to the Mangalore Municipality to be run as a Municipal one subject to the condition that one half of the revenue is paid over to the Dt. Bd. and that this seems to a fair solution because on the other side it is clearly Dist. Bd territory and the river itself is in Dt. Bd. territo But on the other side two important roads converge. If the Municipality agrees to connect up these two roads

1 c/f

a jetty, then it would be fair enough to concede that one half of the gross income should be appropriated by the Mcpality for running the ferry and the other half should go to the Dt. Bd.

The Comm., Mangalore Municipality is requested to state whether the Municipality will be willing to abide by the condition mentioned above.

From the Commissioner, Mangalore Municipali letter No.A.8-13268-55, dated 13-7-1955.

G.O.Ms.No. 3950 d/- 13.10.55

The Commissioner, Mangalore Municipality, requested that the two ferries, Boloor ferry (also known as Sultan's Battery) and Bolar ferry which are under the control of the South Kanara District Board and the Highways Department respectively, might be transferred to the control of the Mangalore Municipal Council and that permission might be accorded to open a new ferry at Jeppoo.

2. The matter has been examined in detail in consultation with the C.E.(H) and the Board of Revenue and the Govt. pass the following orde:

(1) BOLAR FERRY: The request of the Commissioner, Mangalore Municipality, for transfer of management of this ferry to the municipality is negatived.

(2) BOLOOR FERRY: Under the provisions of Section 10(1)(c) of the Madras Canals and Public Ferries Act, 1890 (Madras Act II of 1890), the Govt. direct that the management of the Boloor ferry be transferred from the South Kanara

District

District Board to the Mangalore Municipality to be run as a Municipal ferry, with effect on and from the date of this order subject to the condition that the Municipality connects up the two roads which converge on the townside of the ferry with an approach road and form a jetty, as agreed to by it.

pp115-116 cf and pp123-125 cf.

With reference to the Orders contained in G.O.Ms.No.3304, P.W., dated 6-11-1947, the Govt. direct that the net income derived from the ferry shall be shared equally between the Mangalo Municipality and the South Kanara District Board.

FERRIES - South Kanara District - Ferries bordering on Mangalore Municipality - Transfer of management of certain ferries and opening of a new ferry.

Ref: From the Commissioner, Mangalore Municipality letter No.A.6-21342/50 dated 14-8-51
From the Bd. of Revenue B.P.Rt.477 dt.17.1.53
T.M.No.78931-Q151-9 dt. 9-2-53 to the Bd. of Revenue.
From the Board of Revenue Ref. M/E.3917-53-4 dated 24-11-53
From the Bd. of Revenue Ref. No.M.E.3917-53-8 dated 14-4-54.

In August 1951, the Commissioner, Mangalore Municipality requested Government that the two ferries Boloor Ferry and Bolar Ferry, which are under the control of the South Kanara District Board and the Highways Department respectively, might be transferred to the Control of the Mangalore Municipal Council and that permission might be accorded to open a new ferry at Tepoo. The grounds adduced in the above request in favour of/were explained by the Commissioner in paras 2 to 5 of his letter on p.p. 1-2 c.f.

2. The remarks of the C.E.(H) and the Bd. of Revenue on the above proposal are to be found on pp. 39-43 c.f. The Board has agreed with the C.E. (Highways) that the Mangalore Municipality has no claim over the BOLAR ferry while it has full right over the management and entire income of the BOLOOR ferry according to the provisions of G.O.No.3304 PWD of 6-11-47. The Board has also agreed with the views of the C.E.(H) that sanction may be accorded to the Municipality to re-open the Tepoo ferry and has recommended that the full income from the ferry may be granted to the Municipality. The Board was asked to refer to the orders of Government in which the opening of three ferries mentioned above were originally notified. In reply it is reported t'

information regarding the number and date of the G.O. in which the opening of the three ferries was originally notified is not traceable but that the opening of the above ferries ~~were~~ was notified at page 49 of the F.S.G. Gazette dated 21-1-1879. In its last reference, the Board has submitted a full report in the matter - Vide page 81-82 c.f. The Commissioner of Land Rev. has inspected the three ferries and the remarks of the Board are given in respect of each of these three ferries.

SULTAN'S BATTERY: which is also known as BOLOOR is being run by the District Board for a very long time from about 1891 and in G.O.No.2154 P.W. dated 11-10-50 the Government ~~referred~~ refused to consider the request of the Mangalore Municipality for the management of this ferry. The Board has raised a point, Viz., whether there can be any legal objection to the grant of the ferry rights to the Municipali when the District Board has been enjoying the righ for a pretty long period. Subject to legal opini the Board has recommended that this ferry be given over to the Municipality to run it as a municipal one, subject also to the condition that one half of the revenue is paid over to the District Board. The Board considers this as a fair solution because on ~~the next~~ one other side, it is clearly District Board territory and the river itself is in District Boar territory, but on the town side two important road converge. If the Municipality agrees to connect up these two roads with an approach road way and put a jetty then it is fair enough to concede that one half of the gross income should be appropriated by the Municipality for running the ferry and the other half should go to the District Board. The Municip may be consulted in respect of A above first.

BOLAR FERRY: The Board has suggested that the request of the Municipality for the transfer of this ferry may be turned down outright as the ferry is run by the Highways Department, the income also having considerably fallen from Rs 2,000 in 1946 to Rs10 now.

JEPPOO:FERRY: This ferry was being run for many years by the District Board which was deriving a fair amount of revenue but the revenue of the ferry gradually diminished. The District Board has no objection for the Municipality taking up this ferry.

It is for consideration whether the views of the Board mentioned above may be accepted.

H.E.L.A. and LAW may see for remarks.

Law Department

The management of the ferry was assigned by the Government to the Dt. Board under section 11 of the Canals and Public Ferries Act, 1890 in G.O.No.834,Fin., d.1-9-1891. As there has been no actual transfer of property, prima facie it would appear that there is nothing preventing the Government from again taking over the management of the ferry and assigning it to the municipality or to any other authority or person. However before confirming the above view, this Department would like to see the papers which led to the amendment of the Canals and Public Ferries Act by M.A. VII of 1939 and M.A.XX of 1941. P.W.D. may please put up the above papers and other relevant papers, if any, bearing on the subject.

Law Department

It is presumed that the remarks of this department are called for as regards the point whether it is open to the Govt. to re-assume the management of the Boloor and the Jeppu ferries from the district board and transfer their management to the Mangalore mpty. Apparently, the management of the two ferries was assigned by the Government to the district board under section 11 of the Canals and Public Ferries Act, 1890, and that these two ferries are included in the ferries referred to in G.O.No.834, Financial, d.1-9-1891. Although there is nothing in section 11 specifically permitting the Government from resuming control of the management of the ferries which are specifically assigned to a local body under that section, there seems to be no legal objection to do so. The power to assign implies the power to cancel the assignment and to re-assign the management to another local board or municipal council. In this view, this department agrees to the proposals of P.W.D. to cancel the existing assignments in favour of the district board and re-assign the management to the municipal council.

10 SEP 1955
LAW DEPARTMENT, MADRAS

form as in the case of Jeppo ferry. Sub-section (4) of section 10 of the Madras Canals and Public Ferries Act, 1890 lays down that all moneys received by the local board or municipal council to whom the ~~arrangement~~ management of a ferry is assigned under clause (c) of sub-section (1) from tolls levied by it shall form part of its funds. Therefore the State Government has no power to direct the apportionment of the income derived from the ferry. P.W.D. may, therefore, consider whether the portion relating to the apportionment of the income may be issued either in the form of separate executive order or by inclusion separately in the draft order now proposed to be issued without being specified as a condition subject to which the assignment is made. Subject to the above remarks a revised draft order is put up at (P) for consideration by P.W.D.

Section 10(1)(c) of the Madras Canals and Public Ferries Act, 1890, enables the Government to assign public ferries. It is not clear whether the ferries proposed to be assigned in the instant case have been declared to be 'public ferries' under section 3 of the Act. P.W.D. may satisfy themselves on this point before the draft is issued.
